

## Milling Machine HURON

|                           |                 |
|---------------------------|-----------------|
| Brand                     | HURON           |
| Type                      | MU5             |
| Table surface             | 1800 x 460      |
| 5 T-slots                 | 16 mm           |
| Longitudinal travel       | 1300 mm         |
| Transverse stroke         | 700 mm          |
| Vertical Stroke           | 500 mm          |
| Brooch                    | SA40            |
| 27 spindle speeds         | 30 at 2,066 rpm |
| Fast travel               | 2 800 mm/min    |
| Permissible Weight        | 1500kg          |
| Maximum underhead passage | 530             |
| Spindle motor             | 8.8 Kw          |
| Advance Engine            | 3.5 Ch          |
| Watering by electric pump | 1.6 Ch          |
| Dimensions : L x l x H    | 2 000 x 2 000   |
| Approximate weight        | 4 Tonnes        |
